Crown Lands Bill

Passed Leg. Ct. 10 May - will come into force 1 June

Copy taken from copy of Bill sent to Leg. Ct.

Mr. Pugh
Mr. Pugh

Ordered for this copy to be printed
(with the E. of A. of the House of Commons in
circulation) as he was not sure
whether or all they would be printed.

There is a ball in the pocket of
getting them through before June 1st, but
in any case I think this final (?)
form was adopted for either event.

I confess I am not very
clear about what the

position would be if
he effected leases in
the proposed form after
June 1st, though I am
inclined to think they
would be all right.

However he have let
you see how the Company's
alterations will affect
the question.

On the whole I think
the best course will
be to

? send copy of this
to you means
S. O. & R. pointing
out that it is of
great importance
to get the leases
executed before
June 1st.

at once.
