These in-f-a articles (I believe the  
American Consul is in asking Treaty  
Stipulations) so not addy in law to  
(was done it is necessary, State Licentiate  
to licensed ports leading to enemy.

~~Some of the articles in the Treaty of Commerce  
between the United States and Great Britain  
and the Treaty of Commerce between the United States  
and France, which are now in force, contain  
provisions which are not in accordance with  
the principles of the Treaty of Commerce  
between the United States and Great Britain  
and the Treaty of Commerce between the United States  
and France.~~

But it is hardly necessary to discuss the  
kind at any length. The answer is  
but licensed to same treatment  
and have been accorded the  
of the license concerned had  
been of any other nationalities.
