With reference to establishment of
Belgian secondary ammunition base at
Kombasa, a similar period for which
accommodation will be required and the
amount of ammunition is to be stated at any one time

Mr. B. K. L. G.
Mr. Read

The answer to the first question is, I
suppose, "for the period of the war".
As regards the second point, the Belgians
in 1892 state the amount of
ammunition which is to be stored for
the present, but not "at any one time".

Brake? sent (4) to 20.
