except that when we said "U.R. acts for" the Treasury say "Capital" this is what we wanted, & I don't think it likely that they mean what they say. E.g. it was understood in the Gov/Colos that each was lot of capital money & stores have a portion earmarked for stores.

2 copy of letter on 25898, 35132, official dt, & then to Gov, approving of the proposals on the understanding (see this letter with U.R.A. funds for Capital).
