EAST AFRICA PROTECTORATE.

No. 791

September 30th, 1915.

SIR,

With reference to Mr. Bowring's despatch No. 427 of 18th June 1912, I have the honour to report that the retirement from the Government service of Sheikh Abdul Wahid bin Athman, Inspector of Government property at Mombasa, has become necessary on account of ill health and old age (he is approximately 70 years old).

1. He has been employed by the Protectorate Government since 1st July 1895 and has therefore completed over 20 years service.

2. I have therefore the honour to recommend that he be paid a gratuity of £20 i.e. at the rate of £1 for each year's service.

SIR,

With reference to your letter re
Abdul Wahid, I have the honour to inform
you that his infirmities are chiefly, if
not entirely, due to age, he is therefore
in my opinion unlikely to show such impro-
vement as would enable him to undertake
active daily duties.

He should, if possible, be retired.
