~~Request~~ Mr. J. Fiddler.
Please see Govt/50803.

As I have told you, Mr. Athers drew attention yesterday to the "round up" of civil officials for military service which is now going on in E. Africa. The reference to this in the local papers which he mentioned appears to be the Governor's statement in leg Council —

"This is a suspension of the established order of things, and it is not to be taken as a precedent for the future." (Leader Sept. 1914, Col. 4)

It is clear that the Government are not to be taken as a precedent for the future. The Government are not to be taken as a precedent for the future. The Government are not to be taken as a precedent for the future.

then can be spared for military work, we
may assume that the demands of the office
necessitate these two vacancies being
filled, if possible. Otherwise, it is a
question to say whether we ought to
try to get men.

I wait for the your reply about Mr. Halls
& then consider further as to these two vacancies

Mr. Halls cannot be spared for civil duties
because of the recent release of many clerks
for military service in the Post.

From two vacancies, which
I have proposed
(a) a resignation, (b) a transfer
to the Army Dept. - see Eov/52065 -
but the need for filling them must be
due to the release of men for military

Service.

Could we, in instructing C.A. to fill
them, ask them to give preference
if possible to candidates who

have served in the Army for the Troop
has reported service or have

been in the Army for not less than

the Army

do this?

Shows spoken to W Reed. I present
cases if we were to withdraw C.A.
as proposed. Captain Stone had to wait
for a return letter at present.

I have drafted a tel^g, on 50803 +
50809 are telegrams. The minutes
on 52065 are incomplete, but I take
it that if the Governor wishes to
move up his Hall there is no objection. I
assume that we had better ^{still} wait
for Mr Rapley to show a sign.
