Sir

The enclosed contains the
copy of the C.A.'s report
on the selection of a candidate
for the post of Clerk in
the Taxation Division of
the P.O. Department.

In connection
with the instructions
from Mr. Read.

[Faint, mostly illegible handwritten notes and scribbles]

Submitted in the C.A.'s
letter of the 4th of June has

no knowledge of dispensing
work and his physical
defect would probably
prevent him from acquiring
such experience.

3. I enclose ^{copies of} the application
form and testimonials of
Mr. J. R. Clark who was
a candidate recently for
the post of Assistant in
the S.A.P. Vet. Laboratory.
Mr. Clark created a favor-
able impression but was
not selected as a younger
applicant was preferred.
He has, however, no clinical
experience, as far as I can
ascertain from the
particulars which he has
furnished.

4. I am given to under-
stand that it would
be ^{even} ~~more~~ easy to find

would seem
practicable
to employ
him as Secretary
in the S.A.P.

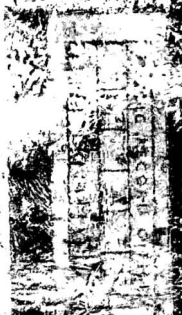

a suitable woman 306
candidate for the vacant
post, as far as experience
of clerical and dispensing
work is concerned though
a woman with ^{some} knowledge
of sanitation is not
difficult to find.
