CONSULAR COMMISSIONERS FOR PORT AU PRINCE

States Mr. Johnson requests supply. Suggests C.O. should take necessary action.

M. Read

I understand that all Consular offices are supplied with Seals of the same pattern procured through the Stationery office

There are two kinds of which I attach impressions

1. for lat impressions on documents
2. for sealing letters with wax.

? ask the Stationery to procure and send new Seals similar to those supplied to the S.O. for the use of S.M. Consuls, with circumstances British Consulate Southern Abyssinia - & say that if the account is sent here, the Crown Agents will be requested to pay it (from a.P. funds)

The last way to and from the
to S. Abyssinia is apparently
via Adis Abeba (vide 29. first
para. of the Lt. Col. Dwyer's report
dated 30 on his Hoda's file)
his being so, it would seem
absolutely certain to ask for
forward the report; they would
have mail-bags going to
Adis Abeba.

In view of the arrangement that the East Africa Protectorate should receive the fees and maintain the Consular Court, I am to request that arrangements may be made by the Colonial Office for the supply of the seal to Mr. Hodson.

I am, Sir,

Your most obedient,
humble servant,
