Telegram (an claim) from Mr. Frederick (New York)

Dated August 7th. 1915.

No. 1186.

-----

McNeely and Price, manufacturers of kid of Philadelphia have signed in the presence of His Majesty's Consul General at Philadelphia an undertaking that the hair containing purchased or to be purchased from Paul S. Slipp of Aden will, if allowed to come forward be used exclusively for industrial purposes in their Philadelphia factory and would not be re-exported either directly or indirectly to any country at war with Great Britain. Messrs. McNeely have also signed a declaration in similar terms respecting hair goat skins to be purchased by them from the East African Trading Company of Mombasa. They desire that the proper Colonial Authorities be so advised. Firm is favourably reported upon and appears to be reliable.
