The Under-Secretary of State for Foreign Affairs presents his compliments to the Under-Secretary of State for the Colonies and is directed by the Secretary of State for Foreign Affairs to transmit the accompanying copy of a telegram which has been received from His Majesty's Ambassador at Rome with regard to the Jubba River Agreement with the Italian Government.

Decypher. Sir R. Rodd (Lone)
September 14th. 1915.

D. 2.40.p.m. September 14th. 1915.

R. 3.50.p.m.

No. 894. (R).

In agreement for River Juba as drafted by Italian Colonial Office which has now been printed for signature one or two formal modifications to give it proper treaty form are considered indispensable by Italian Ministry for Foreign Affairs.

I propose with your approval to make these without again referring it home. They include insertion in first paragraph of "the undersigned duly authorised" before words "have agreed" and other similar formal points. I have also corrected one or two quite unimportant slips in text as approved which had escaped notice but were apparent when English and Italian texts were printed side by side.

Reference is to your despatch No. 72 of June 1915.
