Abstract  
E. 18 A. 2.

A sum of £250 is provided in the K.U.R. Ests for 1937 - as a new item - Special accommodation for publicity purposes - London Office, and the Estimate have been approved.

The idea is that a permanent Tourist Travel Exhibition should be established in the Railway Section of the London Office, to contain the photographic enlargements and the illuminated photographs sent to the Johannesburg Exhibition. It was suggested that the room should be used for the display of films, the equipment for which would be available, and, for a comparatively small cost, a Relief Map of East Africa also could be exhibited there.

The £250 provided, is to cover rental and transfer, & other expenses of which about £100 pa. will be recurrent.

4. C.A. 1.4.37  
Encl. copy of letter received from E.A.T. & I.O., regarding basing of additional premises in Grand Buildings, and enquires whether they may proceed as indicated.

5. E.A.T. & I.O. 6.4.37  
Encl. copy of letter of 21.12.36 and to Col. Sec. Kemp & Chief Sec. of T.T. & Uganda, regarding renting of a large hall in the Grand Buildings for display purposes.

No 4 & 5:

Major Sale has persuaded the port of Kamp, Uganda & Panganyika to take extra space at Grand Buildings at a cost of £45 each of the three ports of £45 for the first year.

The copies of telegrams enclosed in No 4 should be sufficient authority for the C.A. to go ahead & fix up the lease on a yearly basis.

However? Tell them that they may do so, & agree that they should charge the rent.

To the T.O. He, leaving any adjustment with the particular Dependencies to be arranged by the Commission.

Says that they are proceeding with negotiations for  
the lease of each copy of cover with E.A.T. & I.O. on the  
subject concluding that C.O. will consider grant of contribution.

I suppose we can tell C.A. to  
credit the P.O. account now  
with £45 each from the 3  
of Kenya, Uganda and Tanganyika.  
(C.A. is the authority in the telegram  
checked in Nov), but Major  
Dale communicated direct with  
the 3 for £, and I should be  
inclined to wait for him to  
write to the Co.

C.A. Crosswell

I have spoken to Maj. Dale who will  
write to us in due course, when the  
lease is completed. He would prefer the  
other method of payment & will say so  
when he writes. I said I did not  
anticipate that we wd. have any objection  
if the other method suited him better

encloses copy of further corres. with E.A.T. & I.O. and  
states that they propose to conclude the matter accordingly  
and a copy of letter addressed to Grand Building Ltd.

I don't think that this is a  
request for approval of the  
lease.

Major Dale & the C.A. have telephoned  
regarding No 9. C.A. says that  
the simplest method would be that  
they should pay any claims that  
may be received during the current  
year from the £45 provided for by  
each of the 3 for £ or to charge  
the for £ in equal proportions.

This is what Major Dale wants.

After speaking to McCampbell I  
am telling C.A. to go ahead. I have  
also told Major Dale.
