TRANSPORT (K.U.R.)

1. Y. La T. McEntee (46 to 5 of 5)  
Two, with comments, copy of letter dated 23.12.37 which he has  
received from the Kenya & Uganda Railway Area Union.

SENT UNDER STATUTE  
2. To McEntee (3/6) (1. c.c.k.)

10. 1. 38

Mr. Pasquin.

I attach a further letter from Mr. McEntee,  
M.P., regarding the conditions of service of the  
Asiatic staff on the Kenya-Uganda Railway. Perhaps  
you would advise as to the reply which Secretary  
of State should send?

G. Creary

10. 1. 38.

In reply to a P.O. by Mr. McEntee on the  
22<sup>nd</sup> of Dec. the S. of S. said that he saw  
no reason to suggest to the H.C. a  
further review of the conditions of service  
of new staff of the K.U.R., though he  
permitted to look into any individual  
cases that Mr. McEntee might bring  
to his notice.

The encl. to this letter is a  
revised appeal for such a review; &  
as it takes the form of a detailed  
reply to the view of the H.C., as explained  
to Mr. McEntee in the S. of S.'s letter of the  
4<sup>th</sup> of Dec. (3 on -13), it is difficult  
to deal with it without further ref. to  
the H.C.

3 encl. therefore be included
