28th June, 1927

Stamp Agreement Ordinance No. 13 of 1927.

Two signed copies together  
with legal report.

(a)

The only point that remains to be  
settled is an O.D.W. of their kind on the  
desirability of uniformity between Kenya  
and the other Dependencies. The Attorney General's  
report O.D.W. shows that the achievement  
of this as far as possible is the object of the O.D.W.  
Subject to legal advice.

The question of the uniformity of stamp  
legislation was considered by the Conference of Legal  
Officers, who agreed that uniformity was desirable, but  
considered that the Kenya and Uganda legislation is  
already sufficiently uniform, and recommended legis-  
lation on similar lines as suitable for adoption in  
Tanganyika Territory. These views were not intended  
to apply to the rates of duties imposed in these  
Dependencies under stamp legislation. Such rates  
must be governed largely by local revenue considera-  
tions which vary from time to time, and the Conference  
was, therefore, unable to recommend that the principle

of uniformity should be extended to rates of duty. The decision appears to the Conference to be the same with regard to registration fees. I have compared the rates in the schedule in this Ordinance with the corresponding rates (it is not of course a complete schedule) in the principle Ordinance. There has been no revision of the rates except that in a few cases, there have been some changes of classification.

Sanction if as proposed.

THE STAMP (AMENDMENT) BILL, 1927.

Section.	Remarks.
1.	Short title.
2.	Substitution of new definitions of the terms "Bill of exchange", "Policy of insurance" and "Promissory note". New definitions of the terms "Bill of exchange" and "Promissory note" are required in consequence of the introduction of a local Bills of Exchange Ordinance. The new definition of "Policy of insurance" is intended to cover a class of insurance not contemplated or provided in the present Stamp Ordinance, and which local insurance companies are now prepared to introduce. (Cf. Stamp Act 1891, section 98, as amended by the Finance Act, 1925, section 13, and the Finance Act, 1927, section 8 (1)). This new definition should be read in conjunction with the new section 8A (vide clause 4 of the Bill).
3.	Amendment of section 1 of the Principal Ordinance. It is desired by the Stamp Commissioners to strengthen their powers by making provision which will enable the Commissioner of Lands, as head of the department to which the Senior Revenue Authority belongs, to be appointed a Commissioner.
4.	Composition for Stamp Duty on policies of insurance against accidents. Cf. Stamp Act 1891, 54 and 55 Vict. c. 39 s. 116. The necessity for this new clause is explained in the note against section 2 supra.
5.	Amendment of section 16 of Principal Ordinance. This is required to agree with the new section 16A. Cf. the Stamp Act 1891, 54 and 55 Vict. c. 39 s. 11. Provision is being made in the clauses intended to govern the over-embossing system whereby a proper denoting stamp will be brought into use.
6.	Addition of a new section 16A to the Principal Ordinance. Cf. the Stamp Act 1891, 54 and 55 Vict. c. 39 s. 72. The provisions of section 16 of the Principal Ordinance render the counterpart of an instrument chargeable as a lease, though executed by the lessee only, dutiable as an "original" unless both "original" and "counterpart" are produced for stamping at the same time.

Section.	Remarks.
7.	The adoption of this proposed new section will remove this disability while at the same time strengthening the application of section 16.
8.	Repeal of part of section 17 of the Principal Ordinance.
9.	The Stamp Ordinance, as originally drafted, provided that all instruments executed in the Colony had to be stamped at or before execution. Section 17 as finally passed permits such instruments to be stamped within thirty days. The proposed amendment will bring our Ordinance into line with that of neighbouring territories.
10.	Amendment of section 26 of the Principal Ordinance.
11.	A proviso to the "Explanation" and an illustration which appear in the corresponding section (24) of the Indian Stamp Act are inserted.
12.	Substitution of new clauses (a), (b), (c) and (d) in section 34 subsection (3) of the Principal Ordinance.
13.	These amendments are consequential upon the deletion of the words "payable on demand or at not more than thirty days from sight or date" appearing in the proviso to section 17.
14. 11 and 12.	In sections 37, 42 and 43 of the Principal Ordinance, the words "bill of exchange or" were due to an unobserved typographical error - omitted.
15.	In the Principal Ordinance application for allowance for postage stamps is limited to two months. The extension to six months brings our law into line with English law.
16.	Amendment of section 57 of the Principal ordinance. Under the Stamp Ordinance, 1923, the "new debenture" referred to in this section may be stamped within thirty days of execution and a refund of the stamp on the old debenture might conceivably be applied for and made before the new debenture was actually stamped. The words "within one month" in the section are ambiguous, and it is now sought to make quite clear from what date the "one month" is to be calculated so as to insure the new debenture being stamped before the refund is made.
17.	Amendment of section 63 (2) of the Principal Ordinance.
18.	The object of the amendment is to extend the powers of an Appellate Court in regard to the exclusion of inadequately stamped instruments which in the opinion of that Court have been improperly admitted in evidence.

LAW REPORTTHE STAMP (AMENDMENT) BILL, 1927.

The main object of this Bill is to co-ordinate the law in Kenya relating to Stamps and Stamp Duties with the law in force in Uganda and Tanganyika Territory as completely as local conditions at present permit.

A Comparative Table is attached which explains the various amendments in detail.

In my opinion His Excellency the Acting Governor may properly assent to this Bill in the name and on behalf of His Majesty.

COMPARATIVE TABLE OF SECTIONS

THE STAMP (AMENDMENT) BILL, 1927.

Section.	Remarks.
1.	Short title.
2.	Substitution of new definitions of the terms "Bill of exchange", "Policy of insurance" and "Promissory note". New definitions of the terms "Bill of exchange" and "Promissory note" are required in consequence of the introduction of a local Bills of Exchange Ordinance. The new definition of "Policy of insurance" is intended to cover a class of insurance not contemplated or provided in the present Stamp Ordinance, and which local insurance companies are now prepared to introduce. (Cf. Stamp Act, 1891, section 98, as amended by the Finance Act, 1905, section 13, and the Finance Act, 1907, section 8 (1)). This new definition should be read in conjunction with the new section 8A (vide clause 4 of the Bill).
3.	Amendment of section 3 of the Principal Ordinance. It is desired by the Stamp Commissioners to strengthen their numbers by having provision which will enable the Commissioners of Lands, or head of the department to which the Senior Revenue Authority belongs, to be appointed a Commissioner.
4.	Composition for Stamp Duty on policies of insurance against accident. Cf. Stamp Act, 1891, 54 and 55 Vict. c. 39 s. 11. The necessity for this new clause is explained in the note against section 3 supra.
5.	Amendment of section 16 of Principal Ordinance. This is required to agree with the new section 16A. Cf. the Stamp Act, 1891, 54 and 55 Vict. c. 39 s. 11. Provision is being made in the rules intended to govern the over-embossing system whereby a proper denoting stamp will be brought into use.
6.	Addition of a new section 16A to the Principal Ordinance. Cf. the Stamp Act, 1891, 54 and 55 Vict. c. 39 s. 72. The provisions of section 16 of the Principal Ordinance render the counterpart of an instrument chargeable as a lease, though executed by the lessee only, dutiable as an "original" unless both "original" and "counterpart" are produced for stamping at the same time.

-2-

Section.	Remarks.
7.	The adoption of this proposed new section will remove this disability while at the same time strengthening the application of section 16.
8.	Repeal of part of section 17 of the Principal Ordinance.
9.	The Stamp Ordinance, as originally drafted, provided that all instruments executed in the Colony had to be stamped at or before execution. Section 17 as finally passed permits such instruments to be stamped within thirty days. The proposed amendment will bring our Ordinance into line with that of neighbouring territories.
10.	Amendment of section 26 of the Principal Ordinance.
11.	A proviso to the "Explanation" and an illustration which appear in the corresponding section (24) of the Indian Stamp Act are inserted.
12.	Substitution of new clauses (a), (b), (c) and (d) in section 34 subsection (3) of the Principal Ordinance.
13.	These amendments are consequential upon the deletion of the words "payable on demand or at not more than thirty days from sight or date" appearing in the proviso to section 17.
14. 15 and 16.	In sections 37, 42 and 43 of the Principal Ordinance, the words "bill of exchange or" were due to an unobserved typographical error omitted.
15.	In the Principal Ordinance application for allowance for spoiled stamps is limited to five months. The extension to six months brings our law into line with English law.
16.	Amendment of section 57 of the Principal ordinance. Under the Stamp Ordinance, 1933, the "new debenture" referred to in this section may be stamped within thirty days of execution and a refund of the stamp on the old debenture might conceivably be applied for and made before the new debenture was actually stamped. The words "within one month" in the section are ambiguous, and it is now sought to make quite clear from what date the "one month" is to be calculated so as to insure the new debenture being stamped before the refund is made.
17.	Amendment of section 63 (2) of the Principal Ordinance.
18.	The object of the amendment is to extend the powers of an appellate Court in regard to the exclusion of inadequately stamped instruments which in the opinion of that Court have been improperly admitted in evidence.

Section.	Remarks.
	This Clause also provides for the repeal of section 39 of the Principal Ordinance which becomes inoperative in consequence of the amendment to section 63.
16.	Repeal and re-enactment of section 67 of the Principal Ordinance. Of the Stamp Act, 1891, 54 and 55 Vict. c. 39 s. 103. Experience has proved the necessity of constituting the giving of a receipt chargeable with duty, unstamped, an offence, and in order to make the intention perfectly clear s. 103 of the Stamp Act, 1891, has been adopted as being more suitable than s. 67 of the 1923 Ordinance.
17.	Amendment of section 68 of the Principal Ordinance. The insertion of the proviso is consequential upon the addition of section 6a.
18.	Repeal and re-enactment of section 69 of the Principal Ordinance. Penalty for not drawing full number of bills or two policies purporting to be in sets. It is now proposed to follow section 67 of the Indian Stamp Act, 1899, and Articles 13 and 47 of the Schedule thereto which permit of bills of exchange and policies of non-insurance being drawn in sets. The Stamp Ordinance, 1923, makes the duplicate of a bill of exchange or policy of non-insurance liable as a counterpart or duplicate under Article 24 of the Schedule. It has been represented that this constitutes a hardship in the case of bills of exchange of low value, as in three cases the duplicate would bear the same duty as the original. Articles 11 and 44 have accordingly been amended and section 69 recent.
19.(1)	Amendment of Article 4. This amendment is inserted to make it clear that a Statutory Declaration is liable to the stamp duty as an affidavit.
19.(2).	Amendment of Article 5. Contracts of service under the Employment of Natives Ordinance are exempt from duty and there appears to be no good reason why contracts under the Resident Native Labourers' Ordinance, 1923, should not be exempted also.
19.(3).	The rearrangement of titles of four classes of instruments following Article 5 is to facilitate reference and make it clear that these are not included in the "Exemptions".

Section.

Amendments.

19.(4).

Insertion of new Article 2A.

No specific provision exists for this class of instrument. The present amendment remedies the omission and is a clear guide to the public who might otherwise be in doubt.

19.(5).

Repeal and re-enactment of Article 11.

The necessity for this amendment is explained in the note against clause 16 supra.

19.(6).

Amendment of Article 13.

Under the Stamp Ordinance (Chap. 57) where a mortgage is collateral to a bill of sale both instruments are chargeable with duty at the same rate as a mortgage, i.e. one quarter per centum. Where, however, a bill of sale is collateral to a mortgage the former is only chargeable with two shillings. This ambiguity is removed by the amendment and subjects a bill of sale to a duty of one-tenth per centum on the amount involved, subject to a maximum duty of ten shillings.

19.(7).

Amendment of Article 22.

The proviso added is the outcome of a report by a Select Committee of Legislative Council which was adopted in Legislative Council on the 19th of September, 1904.

19.(8).

Insertion of new Article 24.

This provision is added to cover a class of instrument not infrequently met with.

19.(9).

Amendment of Article 38.

The amendment is inserted to make dutiable a class of instrument which has thus far escaped duty.

19.(10).

Repeal and re-enactment of Division A of Article 44.

See note against Clause 18 supra.

Repeal and re-enactment of Division C of Article 44.

See note against Clause 2 supra.

19.(11).

Amendment of Article 49.

This makes clear the difference between proxies and powers of attorney.

19.(12).

Repeal and re-enactment of Article 59.

When this Article was drafted it had to be in a form differing from that in the Indian Stamp Act, 1899, where the words "whether with or without consideration" were correctly placed at the head of
