Mr. Grigg ——— 14th December 1927

His message for Sir Godfrey Thomas asking whether King of Wales would welcome official invitation to visit Kenya next year

Mr. Hodgkiss should send this on to Sir Godfrey Thomas?

(I have shown the telegram to Mr. Caird)

Ed. H. Wilson

I don't know whether ——— 15/12/27
King's invitation implies an official visit, but H.R.H. would of course feel free to suggest an informal visit if he preferred it.

Mr. Am. G. G. G.

To see. I think the best plan will be to send copy of telegram to Sir Godfrey Thomas and leave H.R.H. to say what his wishes are in the matter.
