- (6) The Council or Board shall pay to every medical officer of health such salary as may from time to time be approved by the Governor; provided that the Council or Board may, with the approval of the Governor, pay to any medical officer of health a reasonable gratuity on account of extraordinary services performed by him, or on account of unforeseen or special circumstances connected with his duties or the necessities of the area for which he is appointed.
- (7) A medical officer of health shall be restricted from engaging in private practice as medical practitioner.
- (8) A medical officer of health shall not be appointed for a limited period only, but shall, subject to the provisions of Section 42 of the Ordinance, continue to hold office until he resigns or is removed by the Governor, or by the Council or Board with the consent of the Governor and not otherwise; provided that he may be appointed subject to such period of probation and to retirement at such age as the Council or Board with the consent of the Governor may prescribe.
- (9) The Council or Board may at their discretion suspend any medical officer of health from the discharge of his duties and shall in the case of every such suspension forthwith report the same, together with the cause thereof to the Commissioner for Local Government, who shall submit the case to the Governor. An officer so suspended shall, unless and until such suspension is confirmed, be allowed to receive such proportion of the salary of his office, not being less than one-half, as the Council or Board may, with the approval of the Commissioner for Local Government, think fit. If the Governor directs that such suspension shall determine the officer shall forthwith resume the performance of his duties and shall be entitled to the full amount of salary which he would have received if he had not been suspended.
- (10) Where any change in the extent of the area of any medical officer of health or in his duties or salary is deemed necessary by the Governor or by the Council or Board with the approval of the Governor, and he declines to acquiesce therein the Council or Board may with the consent of the Governor but not otherwise and after six months' notice in writing signed by the Town Clerk given to the officer determine his office.
- (11) A medical officer of health shall not be appointed who does not, as one of the terms of his engagement, agree to give at least six months' prior notice before resigning his office or to forfeit such sum as may be agreed upon at the date of his appointment as liquidated damage.

(12) A medical officer of health in respect of the Municipality for which he is appointed shall—

(a) except when otherwise determined by the Governor, devote the whole of his time to the duties of his office;

(b) perform all the duties imposed on a medical officer of health by any statute and by any orders, regulations or directions from time to time made or given by the Governor, and by any by-laws or instructions of the Council or Board applicable to his office;

(c) on every Monday forward to the Commissioner for Local Government by post, a return, in such form as the Governor may from time to time require, of the number of cases of infectious disease notified to him during the week ended on the preceding Saturday night; and shall also forward at the same time a duplicate of the return to the medical officer or officers of health of the district or districts adjoining the Municipality for which he is appointed;

(d) as soon as practicable after the 31st day of December in each year make an annual report to the Council or Board up to the end of December on the sanitary circumstances, the sanitary administration and the vital statistics of the Municipality, containing in addition to any other matters upon which he may consider it desirable to report, such information as may from time to time be required by the Governor; and shall transmit to the Commissioner for Local Government and to the medical officer or officers of health of the district or districts adjoining the Municipality, copies of such report;

(e) forthwith report to the Commissioner for Local Government any case of plague, cholera or smallpox or any serious outbreak of disease in the Municipality which may be notified to him or which may otherwise come or be brought to his knowledge and shall also notify the medical officer or officers of health of the district or districts adjoining the Municipality.

(13) Nothing in these Rules shall prevent the Council or Board from making, with the sanction of the Governor, and subject to such conditions as he may prescribe, a temporary arrangement for the performance of all or any of the duties of a medical officer of health and any person appointed by

virtue of such arrangement to perform these duties or any of them, subject to the terms of his appointment, have all the powers and liabilities of a duly appointed medical officer of health.

By Command of His Excellency the Governor.

ORDINANCE, 1928.

RULES.

IN EXERCISE of the powers conferred upon him by section 20 of the Local Government (Municipalities) Ordinance, 1928, His Excellency the Governor has been pleased to make the following Rules:—

1. These Rules may be cited as "the Sanitary Inspectors Rules, 1929" and shall apply to every Municipality established under the provisions of the Local Government (Municipalities) Ordinance, 1928.

2. Every sanitary inspector appointed under the provisions of section 19 of the Local Government (Municipalities) Ordinance, 1928, shall be deemed to be appointed subject to the following terms and conditions, anything to the contrary notwithstanding.

(1) A person shall not be qualified to be appointed as a sanitary inspector by a Municipal Council or a Municipal Board constituted under the Ordinance unless he is the holder of a certificate of the Royal Sanitary Institute or of the Sanitary Inspector's Examination Board, and any person appointed as a chief sanitary inspector shall in addition possess the certificate of the Royal Sanitary Institute as an Inspector of Meat and Other Foods.

(2) The provisions of paragraphs (2) to (7) and (9) to (11) inclusive and of paragraph (13) of Rule 2 of the Rules applying to the appointment of medical officers of health shall apply in the case of sanitary inspectors with the necessary modifications; provided that where more than one sanitary inspector is appointed by the Council or Board, and one of them is appointed as a chief sanitary inspector, the provisions of paragraph (8) of Rule 2 thereof shall apply to the chief sanitary inspector as determined by the Council or Board.

(3) Every sanitary inspector other than a chief sanitary inspector as defined in the last preceding paragraph shall be appointed for a specified term and on the expiration of that term, unless the Council or Board not less than six months before the expiration of the term by resolution otherwise determines and gives notice to him accordingly, shall subject to the provisions of section 42 of the Ordinance, be ap-

RULES.

IN EXERCISE of the powers conferred upon him by section 20 of the Local Government (Municipalities) Ordinance, 1928, His Excellency the Governor has been pleased to make the following Rules—

1. These Rules may be cited as "the Medical Officers of Health Rules, 1929" and shall apply to every Municipality established under the provisions of the Local Government (Municipalities) Ordinance, 1928 (hereinafter called "the Ordinance").

2. Every medical officer of health appointed under the provisions of section 19 of the Ordinance, shall be deemed to be appointed subject to the following terms and conditions, anything to the contrary notwithstanding.

- (1) Every person appointed as a medical officer of health by an Municipal Council or Board constituted under the Ordinance shall be a legally qualified medical practitioner registered as such under the medical acts of the United Kingdom and in addition shall be registered in the medical register of the United Kingdom as the holder of a diploma or certificate in sanitary science, public health or state medicine.
- (2) When a vacancy in the office of medical officer of health of a Municipal Council or Board has occurred or is impending, the Town Clerk shall forthwith report the fact to the Commissioner for Local Government stating the cause of the vacancy or impending vacancy.
- (3) The Council or Board shall, before appointing any medical officer of health under the Ordinance, submit to the Commissioner for Local Government for submission to the Governor a statement in such form and containing such particulars relating to the appointment as may from time to time be required or directed by the Governor, as soon as the approval of the Governor has been given to the proposals contained in the statement so submitted, shall proceed to the appointment of the medical officer of health accordingly.
- (4) The Council or Board shall, before any such appointment is made under the Ordinance, cause to be inserted in some newspaper or newspapers circulating in the Municipality at least three months before the date on which it is proposed that the appointment shall be considered by the Council or Board, an advertisement specifying the Municipality for which the appointment is to be made together with the amount of salary proposed to be assigned.
- (5) Every such appointment shall, within seven days after it is made, be reported by the Town Clerk to the Commissioner for Local Government.

(12) A medical officer of health in respect of the Municipality for which he is appointed shall—

(a) except when otherwise determined by the Governor, devote the whole of his time to the duties of his office;

(b) perform all the duties imposed on a medical officer of health by any statute and by any orders, regulations or directions from time to time made or given by the Governor, and by any by-laws or instructions of the Council or Board applicable to his office;

(c) on every Monday forward to the Commissioner for Local Government by post, a return, in such form as the Governor may from time to time require, of the number of cases of infectious disease notified to him during the week ended on the preceding Saturday night; and shall also forward at the same time a duplicate of the return to the medical officer or officers of health of the district or districts adjoining the Municipality for which he is appointed;

(d) as soon as practicable after the 31st day of December in each year make an annual report to the Council or Board up to the end of December on the sanitary circumstances, the sanitary administration and the vital statistics of the Municipality, containing in addition to any other matters upon which he may consider it desirable to report, such information as may from time to time be required by the Governor; and shall transmit to the Commissioner for Local Government and to the medical officer or officers of health of the district or districts adjoining the Municipality, copies of such report.

(e) forthwith report to the Commissioner for Local Government any case of plague, cholera or smallpox or any serious outbreak of disease in the Municipality which may be notified to him or which may otherwise come or be brought to his knowledge and shall also notify the medical officer or officers of health of the district or districts adjoining the Municipality.

(13) Nothing in these Rules shall prevent the Council or Board from making, with the sanction of the Governor, and subject to such conditions as he may prescribe, a temporary arrangement for the performance of all or any of the duties of a medical officer of health and any person appointed by

virtue of such arrangement to perform these duties or any of them, shall, subject to the terms of his appointment, have all the powers and liabilities of a duly appointed medical officer of health. 16

By Command of His Excellency the Governor.

Colonial Secretary.

GOVERNMENT NOTICE No. 629.

THE LOCAL GOVERNMENT (MUNICIPALITIES)
ORDINANCE, 1928. ✓

RULES.

IN EXERCISE of the powers conferred upon him by section 20 of the Local Government (Municipalities) Ordinance, 1928, His Excellency the Governor has been pleased to make the following Rules—

1. These Rules may be cited as "the Sanitary Inspectors Rules, 1929" and shall apply to every Municipality established under the provisions of the Local Government (Municipalities) Ordinance, 1928.

2. Every sanitary inspector appointed under the provisions of section 19 of the Local Government (Municipalities) Ordinance, 1928, shall be deemed to be appointed subject to the following terms and conditions, anything to the contrary notwithstanding.

(1) A person shall not be qualified to be appointed as a sanitary inspector by a Municipal Council or a Municipal Board constituted under the Ordinance unless he is the holder of a certificate of the Royal Sanitary Institute or of the Sanitary Inspector's Examination Board, and any person appointed as a chief sanitary inspector shall in addition possess the certificate of the Royal Sanitary Institute as an Inspector of Meat and Other Foods.

(2) The provisions of paragraphs (2) to (7) and (9) to (11) inclusive and of paragraph (13) of Rule 2 of the Rules applying to the appointment of medical officers of health shall apply in the case of sanitary inspectors with the necessary modifications: provided that where more than one sanitary inspector is appointed by the Council or Board, and one of them is appointed as a chief sanitary inspector, the provisions of paragraph (8) of Rule 2 thereof shall apply to the chief sanitary inspector as determined by the Council or Board.

(3) Every sanitary inspector other than a chief sanitary inspector as defined in the last preceding paragraph shall be appointed for a specified term and on the expiration of that term, unless the Council or Board not less than six months before the expiration of the term by resolution otherwise determines and gives notice to him accordingly, shall subject to the provisions of section 42 of the Ordinance, be ap-

pointed for such further period as may be mutually agreed upon subject to such notice as aforesaid until he resigns or is removed by the Governor or by the Council or Board with the consent of the Governor.

- (4) A sanitary inspector as regards the Municipality or part of the Municipality for which he is appointed shall—
- (a) perform under the general direction of the medical officer of health all the duties imposed on a sanitary inspector by statute and by orders, regulations, and by-laws for the time being in force lawfully made by the Council or Board or by the Governor, and observe, and execute any directions or instructions of the Council or Board or by the Governor applicable to his office;
 - (b) by inspection of his district both systematically and at intervals as occasion requires, keep himself informed of the sanitary circumstances of the district and in respect of nuisances therein that require abatement;
 - (c) report to the Council or Board any noxious or offensive businesses, trades or manufactories established within his district, and the breach or non-observance of any by-laws or regulations made in respect thereof;
 - (d) report to the local authority any damage done to any works of water supply, or other works belonging to them, and also any case of wilful or negligent waste of water supplied by them, or any fouling by filth or otherwise of water intended to be used for domestic purposes;
 - (e) from time to time, and forthwith upon complaint, visit and inspect the shops and places kept or used for the preparation or sale of articles of food to which the provisions of the statutes and regulations in that behalf applied, and examine any article of food therein, and take such proceedings as may be necessary, provided that in any case of doubt arising under this rule, he shall report the matter to the medical officer of health, with a view to obtaining his instructions thereon;
 - (f) give immediate notice to the medical officer of health of the occurrence within his district any infectious or epidemic disease or other serious outbreak of illness; and whenever appears to him that the intervention of the medical officer is necessary in consequence of the existence of any nuisance injurious to health or of any overcrowding in a house or of other conditions affecting the health of the district, forthwith inform the medical officer of health thereof;
 - (g) if directed, by the medical officer of health do so, remove, or superintend the removal of patients suffering from infectious diseases, infectious diseases hospital, and perform and superintend the work of disinfection and the occurrence of cases of infectious diseases.
