I notice the press reports of reconstruction of
Magadi. As this Government is closely interested
in the success of the new Magadi Company I trust that
you will use every influence to prevent fierce com-
petition and therefore probable repetition of failure
of the old Company. I am still of opinion that no
reconstruction can be successful if opposed by
Brunner Mond and Company and again recommend that
Brunner Mond and Company be brought into the new
Company vide my telegram of 8th March, No. 71.
