The Under Secretary of State,
The Colonial Office,
S. S.

Sir, Tri-Natali Concession.

With reference to our letter of the 31st April last in reply to yours of the 2nd idem, Reference No. 14004/22, we have now heard that a mistake was made in the cable that we received at that time from Iquitos, and that the 6,000 acres mentioned in the third paragraph of that letter should read 6,000 acres.

I have the honor to be, Sir,

Your obedient servant,

Very truly yours,
