COL. OFFICE

Sir,

Mr. Stanley T. Hutchins presented himself for medical examination on the 31st of August.

There is a well marked systolic murmur in the mitral area indicating a valvular defect, and though compensation is well established this, in my opinion, unfit him for service as an Assistant in the Amalgamated Customs Department of Kenya and Uganda.

This will not in any way interfere with a normal life in this country, and I ask that he should not be informed of the cause of his rejection.

I am,

Sir,

Your obedient servant,

The Under Secretary of State

Colonial Office, S.W.1.

proportionally to the contemplated  
arrangements for the my department  
for this country, and shall  
be in a better position to  
report you of the earliest date  
I am prepared to leave, at a  
later date.

Communications during my  
absence already would be  
addressed to my mother,  
Mrs E. M. Miller, Gaynes Court,  
Spring, Conn.

I am, Sir,  
Yours obedient servant,
