I do not altogether like the tone of this tel. which suggests that the Kenya Govt. have made up their minds to appoint Hoggan (if they have not actually committed themselves to him), & will not look at anybody else. But I do not think that we can well press Commander Woods in face of this what the Gov. says.

? Submit Hoggan & if he is approved tel. authorising offer. Re: as to the marine vacancy for which Woods was to be considered.
