The 30 months of course includes some Uganda service - that is in order, but in way as well as upon the position in our policy - that can be left to Dept. to look up, as also the Board whether it is necessary to determine that the Gov. Genl. may lay over passages, and that he should have been more conversant with the fact, and it is a long time since a Gov. of Kenya took ordinary leave in the middle of the year.
