Zanzibar 1 (for which no sample of T.J.  
has applied)

Nyasaland Dye & Manteith have now

come home & their places can be  
filled as soon as possible, as the

been selected.

is allocated to Nyasaland, which is  
probable) - only 2.

Samaliland none

Tanganyika

The proposed establishment is now

33 M.O.'s. 1 in Bacteriology, the  
existing strength is 20 M.O.'s.

(see CO 21707)

accepts T.J.)

Shelly is now one of 20 vacancies

(specifying the numbers required for each department)

book

P.T.O.

As Dr. Esler is anxious to go to Kenya, and there is a vacancy there, I am inclined to allocate him to Kenya. The Tanganyika vacancy is provisionally earmarked for Dr. Semple; as this would leave the vacancies as they now stand.

 Nyasaland 3  
 Tanganyika 14 - 15 if Semple goes

 Report

Mr Jeffries  
 Mr Bourne

The position regarding vacancies in the E.A.S. is now as follows:-

Kenya 1 (caused by transfer of  
 Dr. Pope)

Uganda 6 (see memo - 29719)

In view of minutes on 29719

I have assumed that Mr. Bennett, just  
 submitted & approved, should be offered  
 Uganda if he goes through - 5.

Tanganyika 1 (caused by retirement  
 of Mr. Walker in October)

Somaliland none

Nyasaland none

(I report that the  
 figure given in 24082 was  
 incorrect, caused by a misreading  
 of the Estimates)

Tanganyika

Dr. Semple transfer to Tanganyika in  
 October. Mr. Bennett sailed 31 July.  
 Mr. Leachman has accepted but has  
 not yet been officially examined.  
 leaving by air all night - 13  
 Total 20 11/27/24

Mr Jeffries

I agree. If you  
 do please let me have  
 off. to Bennett back
