hi,

*Spud*

I have to inform you that it has been brought to my notice that the Form of Agreement used for the engagement of officers for service under G.O.s of the S.A. Dependencies do not specifically provide for the imposition of any penalties on an officer who terminates his engagement before he has completed 3 months' residential service. It is not, of course, contemplated that under the terms of the agreement that an officer should be allowed to terminate his agreement
