Off. Deputy Secretary to the Government of India,

To

His Excellency the State-Secretary of India for India,

Colonial and Overseas Department,

India Office, London.

Education Ordinance, Kenya, 1924.

Sir,

I am directed to address you with regard to the Bill entitled "An ordinance to provide for the management of education throughout the Colony and Protectorate of Kenya" which is published for criticism in G.O.M.R. No. 93 of the official Gazette of Kenya dated the 19th March 1924.

2. Section 20 of the ordinance provides that no person shall ordinarily be qualified as a teacher in any public, private or assisted school etc. who does not hold a certificate of competency or a licence to teach issued or recognised by the Education Department as set forth in schedule II which prescribes the certificate to be accepted. The Government of India assure that the phraseology of the last paragraph of schedule II is intended to cover diplomas in teaching of recognised Indian universities and I am to request that, with the permission of His Excellency's Secretary of State for India, they may be informed whether this assumption is correct.

With the honour to be,

Sir,

Your most obedient servant,

Sd. G.S.Bajpai,

Off. Deputy Secretary.

Lord Oliver that Mr Thomas
measures that the assumption
of the Govt of India with regard
to the intention of Schedule II
of the Bill is correct.

2. The force of Kenya has
however already been requested
to report fully on the Bill before
its introduction to the Legislative
Council & this point will not
be overlooked.
