~~The [unclear]~~

Dr. Whitaker and I have checked this Bill very carefully with the Convention as constituted (27/9/24). The only thing I have remarked in that on page 6 (lines 4 & 5) there is a discrepancy between El and Tulli which I feel sure ought not to be there, although it appeared in the print of the Convention as constituted. I am going now to have noted this before, but it could easily be [unclear]

and of the type of a  
thing, he certainly? Perhaps,  
however, as at the Convention  
as it is called by experts  
and the higher we had  
better leave it to the Bill.

Also, this can be put by
