- (1) NAIROBI MUNICIPAL REPRESENTATION.

MINUTES

This has covered our telegram of 16<sup>th</sup> January in which we explained that the I.C.C. would prefer not to tender any advice to H.M. in regard to the ordinance until we have received the further information called for. I do not think we can depart from that standpoint, but there appears to be no reason why we should not inform the new municipal representation set out in 55694/Kenya. A fairly unincorporated council hardly practical for letters, especially where that a compromise on racial representation has been arrived at. Tel. approval of constitution set out

My telegram 26th November No. 338 I shall be glad to have your approval by telegraph to proposed representation of Nairobi Municipal Council as accepted by Indian Councils. I am anxious to make public announcement of approved future representation believe such announcement may influence payment of arrears of rates by Asiatics but I still regard as essential that Nairobi Rating Amendment Ordinance be approved earliest possible vide my telegram No. 8 7th January.
