CIRCULATION

CONFERENCE OF GOVERNORS.

We are grateful for instructions. Arrangements to hold Conference in January or early February difficult unless Walker arrives, with three Shorthand Typists, early in December. Meeting Cameron and Gowers third week in November.

Previous Paper

Off preliminary agreement.

I suppose we shall eventually have to get the shorthand typists here, and it seems a waste of money unless, although there may be a good deal of work at the time of the Conference, the saving the Commission out of some change-fund would not be significant and unpopular.

I think a letter should
now be written to Col Walker
offering him the appointment
and the details settled in
the usual way.

Arrangements for Conference latter part of January or early in February will be difficult unless Walker is available here with three good shorthand typists early in December. I am meeting Cameron and Govers for short preliminary discussion third week in November.
