My Lord,

As one of the Societies represented at the Conference of Missionary Societies in Great Britain and Ireland which met in June last, I write on behalf of our Mission Council which met yesterday to support the communication forwarded to you by Mr. J. H. Oldham, Secretary of the Conference.

Although we have no work in East Africa we cannot but view with grave anxiety any proposals which involve a departure from the declared policy of His Majesty's Government in regard to the interests of native peoples.

I am,

Your Lordship's humble and obedient servant,

F. Marcus Wood
