Dear Sir,

Income Tax Bill-East Africa Protectorate  
your 36986/20

*MS/36986*

I am much obliged to you for your letter of the 5th instant.  
Would it be possible for you to let me know when the Bill is sent to Viscount Milner for his consideration and whether he would be willing at that time to receive a small deputation from this Association (which represents substantially all the ~~fire and marine~~ insurance companies in the country) so as to be acquainted with their views in the matter?

I am afraid that I am not very well acquainted with the procedure nor whether Viscount Milner has, and if he has whether he would be likely to exercise a veto on the legislation if it had been passed by the Legislative Council.

I am, Sir

Your obedient servant,

SECRETARY.

The Under Secretary of State
