Dear Sir,

50036

I am directed to acknowledge receipt of your letter of the 1st December.

I much regret that in my letter of the 29th an error in typing the third condition passed unobserved.

The Executive Committee approved of the payment of the loan in four quarterly instalments to the British East Africa Disabled Officers' Colony, and I would be much obliged if you would correct my letter accordingly, substituting the word "paid" for "repaid" in Condition 3.

Yours faithfully,
