~~Mr. Durman~~
Mr. Boffington

These are provisions in the last scheme for the subsistence of farms allotted but I imagine much would depend on whether the title had actually been completed.

There is little doubt in the case that it was not completed.

All we can do, I think, is to send copy to Gov. for opinion & ask that his decision may be communicated direct to Mrs. Machullen & so if she explaining that the decision rests with Gov.

Last subsequent Paper.

(C.J.) 19.1.21

P.T.O.

I do not think that Major Durham
had any such interest in the farm
as it passes to his legal ^{personal} representatives.
I do not see how the gov. can do any-
thing in the matter. An application for
the farm on behalf of this lady personally
would not fall within the settl scheme.

? inform Mrs. M^{rs} that according
to the information available ^{to us} Major
D. had not at the time of his death
such an interest in the farm referred
to as could pass to his legal personal
representatives + regret that it is
consequently not possible for her to
take ^{up} the farm as an sole executrix
to the late Major D. for the benefit
of her son as she suggests.

As the lady actually has a share
in the Durham the Equity of the
farm might have been different, but as
I do not see that she has any share
in the farm as yet I can only advise her
to apply to the Court for a declaration
of her rights.
