Sir,

I have the honour to acknowledge your letter No. 12 12726/1920 of yesterday's date, forwarding copy of a despatch from the Acting Governor of the East African Protectorate and resolution from Soldiers Settlers Association.

2. I consider that a reply should be sent, as you suggest referring them to your telegram of the 18th February but as we only referred to upset prices of farms in that telegram, I suggest that we now add that postponement of the payment of rents and purchase price will also be considered, and that in the meantime no fees or charges will be collected.

3. I am prepared to recommend these concessions for your approval on account of the high cost of living, which will be maintained now that the coin of common cost is stabilizes at two shillings.

4. The argument that the Rupee was at  $\frac{1}{8}$  <sup>s d</sup> at the time that the Settlement Scheme was inaugurated is an almost unanswerable one in favour of consideration of easier terms.
