Pay of Civil Servants 26222

Sir, I was about to write the  
final appeal before I return  
to East Africa on the subject  
of improvement of salaries and  
terms of service of officials.

Sir Robert Coryndon has given  
me a copy of his despatch of  
22<sup>nd</sup> instant. I think I need  
therefore say no more than that  
I entirely agree with him.

I really do not see how we  
can carry on if increases of  
salary, &c, as recommended  
for the different posts, are  
not soon authorized.

I have the honor to be

Sir

Your obedient servant

Edward Nathan
