COL. OFFICE

14th October, 1920.

Sir,

Capt. J.H. Morris, Royal Engineers.

My son who died at the Endsleigh Palace Hotel, London, in June last year after being invalided home from India, having served through the East African campaign, informed me that a portion of the land taken from the Germans in East Africa was to be divided among the Officers fighting. I have also seen reference to this matter in the papers, and I shall be glad to be informed if this is so. I am anxious to get my Sons affairs cleared up and it will help me considerably if you could let me know if I as the Sole Executor under his Will am entitled to a portion of this land or if a Gratuity is due of the land will be made in my case.

I shall be glad of an early reply.

I am, Sir,

Yours obediently,

The Under Secretary of State,
