Director of Egyptian Civil Service
Africa Department in the name of the Secretary of State

1. The Civil Servant must be paid a salary and allowances in accordance with the provisions of the Egyptian Civil Service Act.
2. The salary of the Civil Servant in the Sudan should be fixed in accordance with the provisions of the Egyptian Civil Service Act and should be paid in Egyptian pounds.
3. The salary of the Civil Servant in the Sudan should not be reduced by more than 10% in East Africa should not be reduced by more than 10% in local purchasing power.
4. The salary of the Civil Servant in the Sudan should not be reduced by more than 10% in local purchasing power.
5. The salary of the Civil Servant in the Sudan should not be reduced by more than 10% in local purchasing power.
6. If in the future the purchasing power of the pound increases substantially, I recommend that the 'local' or 'service' allowance should be reduced proportionately.

in the form of a bonus at the end of the year, the value of such
 at salary when expressed in rupees at the present rate
 which could be partly demanded as local payment. I suggest
 this allowance be called a 'local' or 'service' allowance.
 In the future the purchasing power of the rupee
 is so low that I recommend that the 'local' or 'service'

With ref. to the final paras. of the letter from this Dept. of the 30th of December, I am directed to transmit to you, to be laid before the L.C. of the Treas., the accompanying copy of a letter from Major General Sir Edward Northey, the Gov. of the E.A.P., regarding the effect on the salaries of European civil servants of the new currency arrangements, which, with F.L. concurrence, have been approved for the Protectorates in E.A.

2. A separate letter is being sent to you regarding the proposals for increased salaries which are necessary in Eastern Africa, but, as Sir E. Northey points out, these arrangements have been made without regard to the change in the currency system and must be considered as the rates required to attract candidates and to meet the conditions of life as they would have been if it had been possible to restore the rupee to its par value of 1/4 sterling.

3. It is obvious that Sir E. Northey points out, that the official
