1. As regards Poccock, I suffer by "relieving  
Postmaster £350 - the Garrison means Junior Postmaster  
& Superior at £350 in the scale of £250 - 15 - 400  
with first class privileges  
offer him appt accordingly through S.P.O  
(see below)  
explaining to S.P.O  
O.C.P.

2. As regards Wheatstone <sup>Garrison</sup> we can defer action  
until we have the Gov's reply to airtel of 3 March  
or 6/5/21, when we can deal generally with the  
whole P.C. Tel. vacancies? O.C.P.

3. Telegraph Traffic expert This appears to be  
a new post above the other requirements; possibly  
included in the following instructions

I agree - except that as regards Pocock  
I do not really understand what  
the Gov. means & I think it  
will be much safer to let  
him than to try to clear the position  
up before venturing on any  
step to proceed.
