PARAPHRASE

Telegram from the Secretary of State for the Colonies to the Officer Administering the Government of the East Africa Protectorate.
(Sent 12.30 pm, 20th February, 1920.)

20th February.

With reference to your telegram of 11th February 74 I should be prepared when new Convention is ratified to agree to increase in import duties but do not consider it advisable for special reasons which I need not go into to advertise in any way probability of increased duties under new Convention
