Dated 29th November, 1962

Received, Colonial Office, 1.30 a.m. 30.11.62

29.11.62. 29th November. Following message received from Europeans of Kenya begins Elected Members of Legislative Council and the Convention Association grateful for representations of your proposals and desire to respond through the Delegation due in England 6th January. The basis of policy and common roll are unacceptable because they undermine all the proposals which may be considered favourable to the Europeans in view of perpetuating the conflict between the two races which is their desire to prevent. In view of the fact that exchange in the Constitution is proposed to be held of next year they earnestly request you to make no decision pending arrival of the Delegation here.
