DRAFT.

I have to refer to
my telegram of the 4th
of Dec in which

informed you of the fact

that, with the concurrence
of the L.C. of the Treas.

I have approved of

the allowance for free

quarters for persons

purpose being raised

to 30 per cent of initial

salary of the grade in

the case of European

retiring from the S.

[Handwritten notes]

to those granted to which
 off officials & officers in
 the same Civil Service
 during the same salaries
 would receive in view of
 the arrangement whereby
 these Civil servants are
 permitted to add time
 quarters during year of
 service. Various decisions at
 the Department of Appointment to
 these posts or involvements
 with the purpose of computing

3. The L.C. of the Treas.
 were unable to accept this
 proposal as it stood,
 since it is contrary to

the established practice to
 grant a pension on
 instruments not received
 received. They were
 prepared, however, to
 consider every measure
 with a view to the
 aspect of free
 quarters for pension
 purposes only to 50 per
 cent (instead of 100
 cent), initial
 salary of an officer's
 grade. It was
 calculated that, after

to those granted to which
^{off} officials & officers in
 the ^{the} Civil Service
 during the same salaries
 would receive in order of
 the arrangement whereby
 these civil servants are
 permitted to add these
 quarters as cost of
 their services drawn at
 the ~~present~~ ^{present} appointment to
 their ~~present~~ ^{present} appointments
 for the purpose of computing

3. The L.C. of the Treas.
 were unable to accept this
 proposal as it stood,
 since it is contrary to
 the

the established practice to
 grant a pension on
 entitlements not actually
 received. They were
 prepared, however, to
 consider a measure
 which would allow
 a ^{percentage} of five
 quarters for pension
 purposes only to 50 per
 cent (in case of
 salary of an officer's
 grade. It was
 calculated that, after
 taking
