Sir,

I have the honour to transmit the accompanying copy of
correspondence which we have had with Mr. T. Coast Anderson,
P.O. Box 111, respecting certain oil shale deposits in
the area and to enquire whether the Secretary of State is
prepared to consider the question of granting him an
exploration licence for that territory. We understand that the
deposits of question are in the area from
the necessity of considering the
existing shale deposits and conditions
under which an exploration licence
can be granted for the purpose
is to extract oil from the shale.

In the meantime I have the honour to inform you that
I have the honour to be,
Sir,

173

Gentlemen,

May I refer to your valued favour of 20th January last and my subsequent interview with Mr. Eschiel, who was good enough to very fully explain to the writer the modus operandi of approaching this matter.

I have since fully discussed the Crown business with some friends interested with me and we have agreed to privately subscribe to the fund provided to provide funds for the purchase of the first 1000 shares for the purpose of the purchase of the first 1000 shares.

I have also discussed the matter with Mr. Eschiel and have agreed to contribute to the fund at the rate of 10/- per share.

I am, Sir, very truly yours,

Yours faithfully,
T. Scott Anderson.
