This is decided but cannot possibly let Lady Lovell pay for, I think. I suppose we must pay the bill to Nairobi hospital or rather set off the sum in arrears payable from Kenya funds. The W.C. acknowledged however in the behaviour of Dr Lovell in that he was an Imperial Officer and we might tell them what has happened and try and get them to accept it on business charges

It is about the fact
about drawing a
Cheque from Trinidad
fund. Do you know
anything about her?

my Part

I think it is probably
unlikely that the War Office
is agreed to bear any part of
the cost & I see that they
say in W.O. (30.5.59 EAD) that I
should write them to agree
any one asking them to agree
to the sum involved being
written off against the Pension
Charges &c (which I think it
has been written whatever
to do)

I will see the Kenya Post

originally agreed (but in Ca. 322/2/19)

but the amount owing might
be covered from 326
Lady Lowell.

Of course on what appears
to be the facts of the case
& I am sure very much
with Lady Lowell, but I
think it will be rather an
extreme step for us to
step in to arrange that sum
involved being written off
as a charge against Kenya
fund.

On the other hand I will
leave the matter to Sir
to decide & in view of
the delay involved (which
however does not mean
that I will not do all I can
to help all the time to get
put for a decision as to
whether the sum is to be
Lady Lowell. But it is

accepted or who has the
same info. to be written off

With reference to your letter No. 10335/1921 of the
8th March and previous correspondence, regarding the sum
of £63.6s.6d. due to the Government of Kenya from
Dr. W. Lovell, I have the honour to enclose a copy of a
letter received from Lady Lovell and to ask for the
instructions of the Secretary of State in the matter.

I have the honour to be

Your obedient servant,

LADY LOVELL TO CROWN AGENTS.

54 Westbere Road
West Hampstead.

28th June, 1921.

Gentlemen,

Referring to the amount of £63.6s.8d. which my son Dr. Lovell owes to the Government of Kenya for Hospital charges, I see you have given him until the end of August to pay it. As he is not in a position to do this and I fear never will be owing to his bad health, I shall hope to pay it for him. I am wondering whether you will allow me to pay it in quarterly instalments, I could manage if you would arrange this. I fear I could not pay it all at once as my income is £280 a year of which £130 comes from the Government of Trinidad paid to me quarterly. Hoping this will meet with your appreciation.

Yours truly,

Sgd. Fanny Lovell.

of June, and inform^{ing} her that
