Can you please confirm that the scale of salary of Mr. A. Snowball's appointment as Engineering Assistant, Telegraph Department, is £400-500. In several recent cases no mention of the scale of salary has been made in your letter advising us of the selection of an officer for appointment to the East African service. We should be glad if you could arrange for this information to be inserted in every case as we require to know it in connection with the East African Widows' and Orphans' Pension Scheme.
