Gentlemen,
 I am to inform you that these surveys are temporarily suspended in Zanzibar to undertake surveys preliminary to the execution of various works in the Port.
 The nature of the works in question is

P.S.

I am to enquire what prospects
there are of obtaining two cards
quickly, whether you consider that
a salary of £400 - £420 - £500 will be
sufficient or that a salary of say
£500 - £250 - £700 will be superior to
secure well-qualified men. They
would be engaged for one term of
service only, & the salary would be commensurate with the work
travelling allowance would be
parallel

I am to enquire that you will
return an early reply to this letter
