22nd July, 1922.

Sir,

With reference to Lieutenant Colonel Notley's despatch No.1341 of 26th September, I have the honour to inform you that I have authorized the imposition of a further collective fine upon the natives of the Lumbwa Buret, Sotik Reserve, under the Collectors Punishments Ordinance.

2. The total fine in this instance is Shs:3800/- and my recommendation is based upon judicial investigations conducted by the District Commissioner into four separate cases of cattle, in one case from a trader of the Lumbwa District and in the remaining cases from Kavirondo on the borders of the district, in one of which was a case of a cow of the identity of the thief and a portion of the stolen stock were traced into the native reserve under circumstances which give rise to a very strong belief that the native authorities could have been expected to apprehend the offender had they desired. If the total fine of Shillings 2350/- will be paid as compensation to the owners of the stolen animals.

3. The imposition of the fine has been recommended by the District Commissioner, Lumbwa, the Senior Commissioner, Nyanza, and by the Chief Native Commissioner -

THE RIGHT HONOURABLE

WINSTON CHURCHILL, P.C., M.P.,
