Instructions.

# INSTRUCTIONS REFERRED TO ON PAGE 1.

If this Paper of Particulars and the Certificates connected with it, be not sent in original, the copies must be duly attested.

HEAD 4. OF PAPER.—In the case of an Officer serving on the West Coast of Africa, a statement is to be added which shows the actual rate of his Salary (Colonial Regulations, § 430).

HEAD 5.—If the service has been broken by one or more breaks, the word "broken" should be added before or after the number of months, and the causes, dates, and circumstances of the break or breaks should be stated under heading 9.

HEAD 6.—If the Person retiring has been in the same class of his same Salary, or in the class from which he retired for the 36 months immediately preceding the date of his retirement, the actual annual rate of Salary or Wages at that date should be inserted, preceded by the word "actual." In other cases the average annual amount of Salary or Wages for the 36 months next preceding the date of retirement should be inserted, preceded by the word "average," but if the whole period of service is less than three years, then the average for the whole period of service should be inserted.

HEAD 7.—A separate statement should be inserted of the actual Annual Value for the 36 months immediately preceding retirement, of each Emolument (exclusive of salary or wages) which is claimed to be included in the calculation of the Pension or Gratuity.

Whenever the value of a House or House Allowance, as so ascertained, exceeds one-sixth of the salary and other emoluments which count for Pension purposes, it is to be reduced to one-sixth of that amount, so that it shall not exceed one-seventh of the whole.

Fees which an officer is allowed to retain for his own Pension purposes, with regular salary, at the annual average of the next preceding the Officer's retirement. These net receipts are to be ascertained by deducting from the gross amount of Fees such Office Expenses, &c., as an Officer may have had to defray from his own resources, in performing the services for which he was remunerated by Fees. A deduction, however from the Fees should be made in respect of Office Expenses provided for by Public Funds, for the due discharge of those duties to which a Fixed Salary is annexed. Papers of "Particulars" when forwarded to the Colonial Department should be accompanied by form declarations from the retiring Officers, showing the amount received for fees, and the amount defrayed as above for Office Expenses, &c., in each of the years immediately preceding the retirement. It will be the duty of the Colonial Government to be concerned to satisfy themselves of the accuracy of such statements before forwarding them to the Colonial Office. In the case of Officers receiving Fixed Salaries, and Fees, the Fees will not in ordinary circumstances be allowed to count for Pension purposes to the extent of more than one-quarter of the Salaries, and Fees will not in any case be allowed to count for Pension purposes during a period in which the whole time of the Officer receiving them was not spent in the Public Service.

HEAD 8.—In cases of infirmity, if the Applicant is below the ordinary age for retirement, a Medical Certificate is to be furnished showing that he is disqualified by infirmity of mind or body for discharging the duties of his situation, and that such infirmity is likely to be permanent.

In case of ten years' service or more, this certificate should be signed by two Officers, whom at least one should, if possible, be a Salaried Officer of the Government.

HEAD 9.—As to "broken" service see HEAD 5.

If the Applicant has had any "acting" service, the same must be fully given, with statement whether or not, during the "acting" service he was connected with the permanent service of the Colony.

HEAD 11.—In special circumstances, a professional Civil Officer may be allowed to have "private practice" which is to be stated.

HEAD 14.—If the Applicant has been in the service under Class 102 of the Colonial Regulations, the same must be stated.

HEAD 19.—The actual average rate of the Applicant's remuneration are to be given. When an average is given, whether by months, &c., it is to be explained.
