If the substitution suggested has the effect
of varying the ^{agreement} arrived at with
J., it is not fair ^{to be too late} to attempt to make
it; if it has not that effect, there is
no purpose served by it.

? Reply that the wording in the
telegram of 28 July must be altered
so the phrase substituted.

No. 202. 14th July. Your telegram, No. 202, dated 14th July 1923.

drafted awaiting approval of municipal corporation. The words "public market within the meaning of rules issued under the Township Ordinance" in your telegram 26th July 1922 appear to amount to nothing more than a definition and not to include control. Legal control governed by rules of 1917 which are bye laws under Municipal Corporation Ordinance 1922 see Section 5. If as I gather from enclosure to your confidential despatch of 1st August 1922 lease is to be subject to all rules under Townships Ordinance correct wording of lease to import such control by reference should run "subject to all rules and bye-laws for the time being in force under the Municipal Corporations Ordinance 1922". This appears to be entirely within your intention and I suggest ~~the~~ (their) substitution.

Acting Governor.
