Report.

Mr Reynolds

Despatch No 1179 in this volume purports to enclose the Native Affairs Dept Report for 1922, but it is not in fact there. A visitor to the Library wishes to consult this Report.

Can you suggest where it might be?

It is not with our Annual Reports for 1922

Mr. Reynolds I fear that I cannot help. If the Report was printed, you should have copies. If it was in MS. it would have been bound with the desp. had we had it at the time. After this lapse of time I, necessarily, cannot remember the circumstances.
