~~The Position~~

Capt Newbolt wishes to know as soon as possible the number of African Officers (Cadets) required at the largest - Sept. selection

Kenya The O.A.S. asked for 3 = 28540

but he since stated that the position is being reconsidered. If 3 should be required we can fill two of the posts by retraining of formerly the third also. But which the estimate provide for 71 2nd Grade African Officer + Cadet, the Staff List shows more than the number in the establishment. But allowing for Officers seconded to other posts and the impending retirement of Christol Sabbath and transfer of the Spence to the Prison Dept. it is probable that at least 3 will be required but no new selection.

We can only wait for the further

information furnished in 76372

Uganda

The 1923 Estimate make provision for 39 2nd Grade African Officers + 2 Cadets. It is extremely difficult to say what the position is at the moment. Allowing for the vacant positions to the 1st Grade then appear to be as necessary. But Bray ^{for information} ~~is still available~~ Layrigg has not accepted the revised offer sent to him.

Sotham Estimat. Senior Staff Surgeon, has just
offered + has recommended for transfer to the
Administration. Phillip of course is second, but
if Estimat is transferred I can find no vacancy.
