This is really rather absurd.
(1) We offer to pay for one more Kenya Indian delegate, & the Indians suggest that we pay for two more.

(2) The other Indian who came (from Hamburg, as we happen to know!) to represent the Kenya Indians when the full delegation was received here, was Abdul Wahid.

(3) The Indians now suggest Y. A. K. Jivangee & Fayaz Ali, who certainly never came with the full delegation to the C.O. met these

T.T. question -
in his H. Mead's note
on this matter, this is
confirmed by Mr. G.P.P.

position is not understood -
that in any event,
the expenses of only
one more Kenya

be paid from Kenya

at the meeting at

which the full Indian

Mr. A.M. Jivrajee,
Mr. H. J. Verjee &

representing the
Kenya Indians on the

Mr. Verjee came to

It should be the above noted
or case, but as he is (I
believe) in local of mission
he will come all the way from
C.A. and (if I understand
right, that Lord Belarance
said at the last meeting) is
already gone away, it is
no doubt convenient to
Indian delegation to let
another come - observe
