SUBJECT

POSITION OF INDIANS.

Requests copy of "Case" submitted by the Indian Delegation.

Previous Paper

*MS/28844/1*

MINUTES

*See MS/25671/23 notes for the "case" which is referred to in the minutes.*

*There has already been a statement in the press in the Indian Delegation - in the minutes of June 21st and 22nd (2000 10)*

*So that except the "case" cannot be regarded as secret; but it will be a desirable if, on each side presents a statement, the statement is to be sent officially to the other side in order that perhaps this is required by India in view so far as the Dept. is aware, Lord Delamere*

not recorded his views  
on the 'case' - see  
action taken on  
25/7/23 - W. Marshall  
tells me he has seen no reply.

The objection to communication  
raised in (a) is any  
shorter of 25 days within  
25/7/23 has of course less  
weight than in our past  
for a reply, but I express  
that I should have liked  
some expression of the  
view that the demands are  
wholly extravagant to  
unprecedented communications  
of England.

13.6.23.

Dr J. Marshall - Smith  
I do take the line  
that statements from either  
side are regarded by the  
S. of S. as intended for  
his own use in considering  
what steps can best be  
taken to arrive at  
a settlement.

questions in dispute & that the  
difficulties of the position would  
only be intensified if, as each side  
presented a statement, it were to be  
sent officially to the other side for  
their observations - & that, in these  
circumstances, the S. of S. regrets that he is  
unable to meet their wishes  
- & perhaps Lt. Peel might be asked  
whether he is now in a position to answer  
the S. of S.'s 5th note of the 30th May.

Perhaps you could make enquiries at  $\phi$  in  
the first instance.

The S. of S. is coming to Dublin on their  
colleagues next Tuesday at 3 pm  
& can entertain their request then.

In the interval we shall be considering  
- with help - the whole position in  
the light of Mr. R. Conyngham's draft, which  
he left with us yesterday & is being  
studied.

P.O. says the delay is due to Fisher's  
illness - they will try to get an answer  
from his undersecretary before Tuesday, Dec 15/23

The Duke of Devonshire  
asked to be taken at  
yesterday's meeting  
that most of the [unclear]  
statement had appeared  
in the Press here - but  
that in any case we  
did not accept this  
statement as a  
basis for settlement.

No further action  
required in this case
