MEDICAL EXAMINATION OF CANDIDATES

FEES FOR GOVERNMENT M.O.'s

P.M.O. recommends payment of fees by candidates. Is inclined to opinion such exams might be considered as within scope of duties of Govt M.O.'s. If fees are to be allowed P.M.O. suggests Rs 15 for Europeans and Rs 10 FOR NON-EUROPEANS.

W. B. Bannister

See Uganda Sec. Handbook para 152 on 'medical exam'. I went applicant: nothing is said as to fees, but as the forms for exam are obtained from the Pharmacy, it looks as though there is some Govt payment made.

It wd be well to check up first the Uganda position, as to wh. M.O. can trace anything.

It may save time if I write C.O. to S. Owen who is on leave & ask what fees Uganda must deposit & since when fees have

May, 1920.

My Lord,

I have the honour to inform Your Lordship that the Principal Medical Officer has recommended the payment of a fee by any candidate who is examined by a Government Medical Officer with a view to local engagement.

2. Dr. Milne has cited the similar practice prevailing in the case of the Medical Adviser to the Colonial Office, and also in the Uganda Protectorate.

3. I incline to the opinion that such examination might well be considered as within the scope of the duties of a salaried Medical Officer in the same way as officials in other Departments are called upon to interview applicants for specific vacancies.

I

RIGHT HONOURABLE
SCOUT MILNER, P.C., G.C.B., G.C.M.G., &c., &c.,
SECRETARY OF STATE FOR THE COLONIES,
DOWNING STREET,
LONDON, S. W.

I am unaware, however, of the principle adopted in this connexion by other Colonial Administrations and have decided, after consultation with my Executive Council, to refer the case for Your Lordship's decision.

4. In the event of a fee being allowed for this service, the Principal Medical Officer has suggested the following scale of charges:-

Europeans	Rs.15/-
Non-Europeans	Rs.10/-

I have the honour to be,

Your Lordship's

humble, obedient servant,

ACTING GOVERNOR.

Thank you for your concluding remark.

Sir

I have to forward to you the list of the cases for which the Government has recommended that the necessary officers should be paid fees for the examination of local cases for port improvement. It states that a similar practice is already in existence in India.
